

NEW 'CASCADE' Tiered Planter from

Amethyst Horticulture offers a service that ensures an efficient and cost effective solution to your floral and shrub requirements. We are pleased to announce that we have extended our range of planters to include the 'Cascade'. A unique tiered planter which has been designed to allow for a variety of uses and enables you to create individual floral displays to suit your requirements. The 4 section base can be easily divided to provide a semi circular style planter, use 3 sections and the base will fit nicely around a corner. The base can also be interconnected to provide a curved planter. The central pole that provides the tiers can be completely removed or exchanged for a banner or hanging basket tree. Incorporating the scalloped edge and unique cost-saving self watering system that our products are known for, this new addition to the Amethyst range is a market leader in free standing planters.

Components: 2 standard half round pole baskets with liners, Centre post, 2 large half round pole baskets with liners, 4 planting base quadrants 12 binding ties .(all planters have pre-installed wicking mats & streamers)

Trees and shrubs, autumn bedding & planting services, Bulbs, Self watering hanging baskets and planters, the NEW wooden 'Lynsted' range of planters.
